Declaration of REACH Compliance

Declaration No: 20261101REACH_REACH250

1. Introduction This document serves as a declaration that all our products comply with the REACH Regulation (EC No. 1907/2006) by ensuring that they do not exceed the permissible limits for substances as specified in relevant EU regulations.

2. Compliance Statement Our company is committed to full compliance with REACH requirements and guarantees that our products:

- Do not contain substances exceeding the concentration limits set by REACH.
- Meet all applicable restrictions and authorization requirements.
- Adhere to the latest updates in the REACH legislation to ensure safety and regulatory compliance.

3. Supply Chain Responsibility We work closely with our suppliers and partners to:

- Obtain and verify compliance documentation for all materials used in our products.
- Ensure proper communication regarding the presence of any Substances of Very High Concern (SVHC), where applicable.
- Maintain transparency in our chemical management processes.

4. Monitoring and Updates

- We regularly review and update our compliance processes to reflect changes in REACH regulations.
- Internal audits and supplier assessments ensure continuous adherence to legal requirements.
- Any non-compliance issues are addressed promptly to maintain regulatory integrity.

5. Conclusion By strictly following REACH regulations, we ensure that our products are safe, sustainable, and legally compliant. For further information or specific compliance inquiries, please contact info@elma.dk.
