Declaration of ROHS Compliance

Declaration No: 20261101ROHS

1. Introduction This document serves as a declaration that all our products comply with the RoHS Directive (2011/65/EU with subsequent amendments) by ensuring that they do not exceed the permissible limits for hazardous substances as specified in relevant EU regulations.

2. Compliance Statement Our company is committed to full compliance with RoHS requirements and guarantees that our products:

- Do not contain restricted substances in concentrations exceeding the established limits.
- Comply with all applicable exemptions and regulatory requirements.
- Follow the latest updates in RoHS legislation to ensure safety and regulatory compliance.

3. Supply Chain Responsibility We work closely with our suppliers and partners to:

- Obtain and verify compliance documentation for all materials used in our products.
- Ensure proper communication regarding the presence of any restricted substances.
- Maintain transparency in our material management processes.

4. Monitoring and Updates

- We regularly review and update our compliance processes to reflect changes in the RoHS Directive.
- Internal audits and supplier assessments ensure continuous adherence to legal requirements.
- Any non-compliance issues are promptly addressed to maintain regulatory integrity.

5. Conclusion By strictly following the RoHS Directive, we ensure that our products are safe, environmentally friendly, and legally compliant. For further information or specific compliance inquiries, please contact our compliance department.
